Our Mission

Renewing lives and growing disciples of Christ

Sunday 18th November

We are able to have a real and deeply personal relationship with God through **Jesus. Jesus' actions have opened the way** for us to be able to enter into a heart to heart relationship with God. Love is always something bigger and more open than we expect and when we love freely we are often surprised at the wholeness and life we receive even if the person we love does not love us in return.

The writer of Hebrews says, faith makes it possible to approach God, staying true and holding fast brings us hope, and helping one another to understand and receive this faith and hope builds love.

I pray that you will find new hope and love in your relationships with each other and your relationship with Jesus. Amen

Susan

Our Vision
A family of Jesus Christ's disciples,
empowered by His love, obedient to His
commands and seeking to be like Christ to others.
